SOURCE [REDACTED] 25X1

1. No construction work has been done at the airfield east of Zichenau (R 53/K 76) (Ciechanow) since 1945.
2. Only Polish pilots were seen practicing with former German aircraft at the field. No fighters or jet fighters [REDACTED]* 25X1

* [REDACTED] 25X1 Comment. This is the first postwar report on the small auxiliary airfield which was near Zichenau during World War II. Source could not give any details on the status of the field except that Polish Air Force soldiers made practice flights there. It is believed that the field is of minor importance.
